

NEGIZHI INDUSTRIES

CRAFTING QUALITY : SHAPING TOMORROW

(specialist for engineering plastic components)

NEGIZHI INDUSTRIES was established in 2025, to manufacture in all kinds of Plastic Components.

In 2025, **NEGIZHI INDUSTRIES** started manufacturing Engineering Plastic components. We have cultivated manufacturing expertise and superior capabilities to meet industrial standards. Our strong team works closely with customers to derive Value Engineering without compromising on Quality.

NEGIZHI INDUSTRIES specializes in production of Engineering Plastic Components for Mechanical and Electrical applications. Our arranged infrastructure facilities include a full-fledged Tool Room, Electrical R&D, Mechanical testing laboratories and latest version of design software to enhance designing abilities.

MANUFACTURING FACILITY :

SN	MACHINE NAME	CAPACITY	DIE BAR SIZE	SCREW DIA	SHEET WEIGHT	MAKE
1.	Horizontal Automatic Injection Moulding Machine	200 Ton	510 x 510	50MM	480GM	AAITIAN
2.	Horizontal Automatic Injection Moulding Machine	90 Ton	330 x 330	32mm	150gm	Shine Well Taiwan
3.	Vertical Screw Type Injection Moulding Machine	15 Ton	200 x 250	--	--	TEX AIR CBE
4.	Semi-Automatic Injection Moulding Machine (Hand Mould)	40 Grms	--	--	--	TEX AIR CBE
5.	Compressor					
6.	Scrap Grinding Machine					TOSHIBA
7.	Pre Heater Oven	300° C	--	--	--	Sunsun
8.	7 Pedestal Grinding Machine					

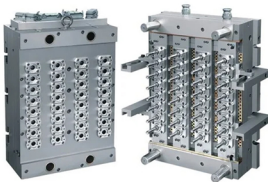

INSPECTION & TESTING FACILITY:

SN	INSTRUMENT NAME	RANGE	MAKE
1.	Vernier Caliper	0 - 200 mm	Mitutoyo
2.	Bore Gauges – GO NOGO Type	10 - 60 mm	--
3.	Weighing Balance	30 Kgs	Prestige
4.	Measuring Tape	10 Mtrs	--
5.	Shore hardness gauge		
6.	Micro meter		
7.	Bore dial		

MATERIAL USED (Engineering Grade):

01. Polypropylene (PP)
02. Polycarbonate (PC)
03. Polyurethane (PU)
04. Acrylonitrile Butadiene Styrene (ABS)
05. Nylon 6
06. Nylon 6 GF30%
07. Low Density Polyethylene (LDPE)
08. Delrin
09. Polyphenylene sulfide (PPS)
10. High Density polyethylene (HDPE)

OUT SOURCING FACILITIES:

01. Tool & Die Design

02. Tool & Die Manufacturing

Machining, Grinding, Wire Cutting, Sparking,
Hardening & Polishing.

03. Inspection and testing facility

04. Shore hardness gauge

05. Micro meter

06. Bore dial

OUR VALUABLE CUSTOMERS:

01. Sieger Spintech Equipments Private Limited
02. Shanthi Gears Limited
03. Rydon Industries Private Limited
04. Vignesh Gears Private Limited
05. Covai Gears Industries
06. Gishnu Gears - Industrial Division
(MM Gears Pvt Ltd Group)
07. Bas-j Industries
08. Safvolt Switch Gears Private Limited
09. Green Gears
10. Star Drives

Company Details

Proprietor : MATHIBHARATHI DHANARAJ

Mobile No : 86108 88097

Email ID : plasticnegizhiindustries@gmail.com

Address : 5/160A, 79/2, Arasur Post,
Arasur (PO), Sular (Tk),
Coimbatore - 641 407.
India

GSTIN No : 33HFHPD0907Q1ZA
